# **Registration Form**

## **INFORMATION TO APPLICANT**

#### About this Application Form

The *Public and Environmental Health Legionella Regulations 2008* require the owner of premises on which a warm water system is installed to ensure the system is registered with the Local Council for the area in which the premises are situated.

This form is designed for the mandatory registration of warm water system(s) under the *Public and Environmental Health (Legionella) Regulations 2008* and must be completed in its entirety.

#### **Registration / Registration Renewal Fees**

Registration / registration renewal fees payable to the Local Council are prescribed in *Schedule 1 of the Public and Environmental Health (Legionella) Regulations 2008*, as follows:

For registration of 1 warm water system	\$32
For registration of each additional warm water system installed on the same prem	nise \$21.30
<ul> <li>On application to an authority for renewal of registration of a high risk manufactur water system (per system)</li> </ul>	red \$16

Please note: These fees do not include inspection fees; testing fees and applications to the minister.

#### Changes requiring notification to the Local Council

There are a number of mandatory requirements related to the registration of warm water system(s), including the following:

- Registration remains in force for a period of <u>12 months</u> after which the applicant must renew the registration to the authority.
- The owner of premises on which a high risk manufactured water system registered with the Local Council
  is installed, must <u>within 1 month</u> after any change in the particulars registered in relation to the system,
  notify the authority of the change.
- If a high risk manufactured water system registered with the authority is decommissioned, the owner of the premise on which the system is installed must notify the authority of the decommissioning within 1 month after the event.

#### Where to find more information

Should you require assistance with registration or have any questions, please contact the District Council of Kimba Environmental Health Officer on 8627 2026.

## **REGISTRATION TYPE**

New Application:
New Registration of Warm Water System(s)
Please indicate the total number of systems to be registered with this application:
Existing Registrations:
Renew Registration of Warm Water System(s)
□ Modify business ownership details and/or maintenance and operation contact details of existing
Registration(s) of Warm Water System(s)

Please indicate the total number of systems already registered: \_\_\_\_\_\_
