

Registration Form

INFORMATION TO APPLICANT

About this application form

The Public and Environmental Health Legionella Regulations 2008 require the owner of premises on which a cooling water system is installed to ensure the system is registered with the Local Council for the area in which the premises are situated. This form is designed for the mandatory registration of cooling water system(s) under the Public and Environmental Health (Legionella) Regulations 2008 and must be completed in its entirety.

Registration / Registration Renewal Fees

Registration / registration renewal fees payable to the Local Council are prescribed in Schedule 1 of the Public and Environmental Health (Legionella) Regulations 2008, as follows:

- | | |
|--|---------|
| • For registration of 1 water system | \$32 |
| • For registration of each additional water system installed on the same premise | \$21.30 |
| • On application to an authority for renewal of registration of a high risk manufactured water system (per system) | \$16 |

Please note: These fees do not include inspection fees; testing fees and applications to the minister.

Changes requiring notification to the Local Council

There are a number of mandatory requirements related to the registration of cooling water system(s), including the following:

- Registration remains in force for a period of 12 months after which the applicant must renew the registration to the authority.
- The owner of premises on which a high risk manufactured water system registered with the Local Council is installed, must within 1 month after any change in the particulars registered in relation to the system, notify the authority of the change.
- If a high risk manufactured water system registered with the authority is decommissioned, the owner of the premise on which the system is installed must notify the authority of the decommissioning within 1 month after the event.
