**TO: NHVR (Permits Section)**

The persons and vehicles listed below are approved to operate over dimensional/over mass vehicles on Council roads, within the District Council of Kimba, excluding State roads subject to the following conditions:

1. Clearance from (Dates) \_\_\_\_\_ to \_\_\_\_\_
2. Restrict speed loaded/unloaded to 80km/hr on sealed roads/ 70km/hr on unsealed roads and 40km/hr within town limits.
3. Council roads mean "Roads under the care and control of council within the boundary of the District Council of Kimba".
4. Clearance is subject to NHVR approval, prior to operation commencement.
5. Where practical, the operators are to use the most suitable and safest direct route to the nearest heavy vehicle route (e.g. Eyre Highway, Flinders Highway etc.).
6. Only approved Council roads, as per this clearance (see route to be taken) or as per RAVnet DPTI gazette notice.
7. The Chief Executive Officer and/or Works Manager hold the right to cancel or suspend all clearances at any time.

***Any breach of the above conditions will result in your clearance being revoked.***
