WHAT'S ON IN KIMBA...

Coming up in the next couple of weeks in Kimba, don't miss the Big Freeze this Thursday night, 11 June at Kimba Districts Football and Netball Club, raising funds and awareness to fight Motor Neurone Disease (MND).

Straight after senior training, 10 local people will take the plunge, sliding into an icy bath as a show of support for those affected by MND.

And it's a big month of music at the Kimba Gateway, with Chasin Aces playing live on Saturday 13 June, followed by a karaoke night with DJ Tanya Blair on Saturday 27 June.

NEW PROVIDORE AT WORKSHOP26

If you've been to Workshop26 lately,
you'll have spotted something new
- a shipping container dedicated
entirely to food.

There's delicious treats to take home
for your pantry or your cheese
platter, with some old favourites and
brand new products too, along with
regular pop-ups from local cooks
- but get in quick on pop-up days,
things tend to sell out fast!

MESSAGE FROM THE MAYOR

Consultation has now concluded on Council's 2026/27 Annual Business Plan and Budget, and we thank you for your feedback in helping shape the priorities for the year ahead.

The Eyre Peninsula Local Government Association has also been extremely active in recent months, contributing to advocacy and submissions that have helped secure positive outcomes in the recent Federal Budget.

The announcement of \$2 billion for enabling infrastructure to support housing developments is a significant win for regional communities and something local government has strongly advocated for. We have also successfully pushed for increased road funding, including long-overdue recognition of South Australia's historical underfunding. Importantly, this supplementary funding will now be ongoing and indexed, helping ensure regional roads do not continue to fall further behind.

Unfortunately, we have also seen Federal Assistance Grants reduce as a percentage of Commonwealth taxation revenue, falling from 0.51% to 0.49%. This trend is deeply concerning as councils across the country continue to face growing financial pressures while striving to maintain services and infrastructure for their communities. We will continue advocating strongly and calling for a fairer outcome for local government.

At the state level, the Local Government Association of South Australia has appointed a new Chief Executive Officer, Victoria McKirdy, who will commence in the role in August. Victoria brings extensive experience and leadership to the position and will guide the organisation in delivering the ambitious Strategic Plan developed by the Board of Directors. We congratulate Victoria on her appointment and look forward to working closely with her to advance local government priorities into the future.

It was fantastic to see such strong attendance at our free laser tag and mini-golf event during the school holidays. Events like these provide valuable opportunities for young people to connect, socialise and enjoy positive community activities, and it was wonderful to see so many local families involved.

Our recent guitar festival also generated significant interest, with several outstanding guitarists visiting Kimba to inspire and entertain audiences across the weekend. The workshop held at Our Town the following day attracting approximately 15+ participants, who had the opportunity to learn directly from talented musicians and industry experts. We've received excellent feedback on the event and look forward to hosting similar experiences in future years as part of the SA Fringe Festival program.

The "I'm Kimba" branding campaign continues to gain recognition not only across Australia, but internationally. Council's Economic Development Manager, Mel Garibaldi, has been personally invited to join the "City Nation Place Advisory Group" following international recognition of both the brand and Mel's exceptional work in advancing the initiative.

This opportunity will help further showcase Kimba on the world stage and create valuable connections and opportunities for our district. I've always believed Kimba was the centre of the universe — and I'm happy to take this as confirmation! We would also love to see more local businesses embrace the brand and help showcase the strong "I'm Kimba" spirit throughout our community.

Personally, the past few months have also been extremely busy, with ongoing engagement across local, Eyre Peninsula and statewide media on a range of important issues. This advocacy is critical in ensuring the needs, challenges and inequities faced by regional communities are heard and understood by decision-makers.

Importantly, recent media engagement has also helped identify some potential doctors who may be interested in servicing our wonderful community. While it is still early days and there are many hurdles to overcome, Council is doing everything within its power to help make this happen. As always, I promise to keep the community informed as discussions progress — and in the meantime, please keep your fingers crossed!

NEXT COUNCIL MEETING

The next two Council meetings will be held on **Wednesday 8th July 2026 at 2pm and Wednesday 12th August 2026 at 2pm** in the Council Chambers. All members of the public are welcome to attend.

LOCAL GOVERNMENT ELECTIONS 2026

Local government elections for the District Council of Kimba will be held later this year.

This election will mark an important change for our community, with a separate mayoral election to be held for the first time. Previously, the Mayor was appointed from within the elected Council.

Moving forward, the Mayor will be directly elected by the community.

As part of this change, eligible voters will receive two voting papers:

- one to vote for Councillors; and
- one to vote for the Mayor.

Voting in local government elections is conducted by post, so it's important to ensure your enrolment details are up to date. **The voters roll closes at 5pm, Friday 31st July. If you're not currently enrolled, or need to update your details, we strongly encourage you to do so as soon as possible.**

We encourage all eligible residents to take part in shaping the future of Kimba by having their say.

Further information, including candidate details and how to vote, will be shared as it becomes available.

IMPORTANT DATES

Roll Close	5pm, Friday 31st July
Nominations Open	Tuesday, 25 August
Nominations Close	Noon, Tuesday 8 th September
Ballot Paper Draw	9am, Wednesday 9 th September
Mailout of Voting Packs	Thursday 15 th – Wednesday 21 st October
Close of Voting	5pm, Wednesday 11 th November
Scrutiny & Count	9am, Saturday 14 th November

COMMUNITY CATCH UPS

Monthly Council Catch Ups at the Kimba Hotel. Ever wanted a casual chat with your elected members outside the Council Chamber? Here's your chance!

On the second Wednesday of each month, you'll find elected members of Council down at the Kimba Hotel from around 6pm–8pm for a relaxed catch up after the monthly Council meeting.

Not every member will always be able to make it (life and other obligations do get in the way), but there'll usually be a few friendly faces around the table, ready to listen, yarn, and answer questions.

Everyone's welcome — no agenda, no formality, just open conversations in a local setting.

LONG TERM FINANCIAL & INFRASTRUCTURE AND ASSET MANAGEMENT PLAN 2027-36

The District Council of Kimba is inviting the community to have their say on two important strategic planning documents that will help shape the future of our district. The Draft Long Term Financial Plan 2027–2036 and the Draft Infrastructure and Asset Management Plan 2027–2036 are now open for public consultation from Thursday 11 June 2026 until Tuesday 7 July 2026 at 5.00pm (pending council endorsement).

These plans set the direction for how Council will manage finances, infrastructure and community assets over the coming decade, ensuring services and investment continue to meet the needs of our community in a sustainable way. Community feedback is a vital part of this process, and we encourage residents, businesses and stakeholders to review

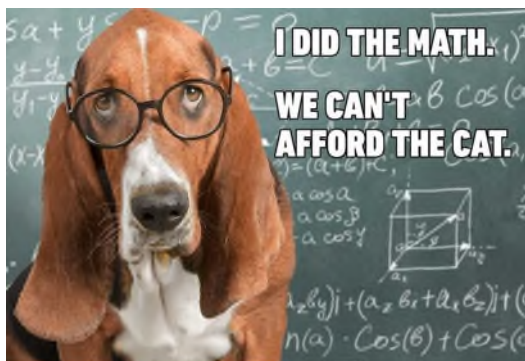

the drafts and share their views to help inform and strengthen the final plans.

MAIN ST POWERLINE UNDERGROUNDING PROJECT

Council is seeking community feedback pending council approval on a proposed Main Street Powerline Undergrounding Project, which is currently being considered as a future initiative within Council's Long Term Financial Plan. A detailed scenario report has been prepared outlining the proposed scope of works, estimated costs, funding opportunities, timelines and the potential financial impacts on Council. Community input is an important part of Council's decision-making process, and residents, businesses and interested stakeholders are encouraged to review the report and provide feedback during the consultation period from Thursday 11th June 2026 until Tuesday 7th July 2026 at 5pm. Copies of the report are available on Council's website and at the Council Office.

PET REGISTRATION AMNESTY PERIOD

Council is again providing an amnesty period in the month of June 2026. If you have a new dog or cat or your pet was not registered last year, during this time you can register your dog/cat free of charge ahead of the renewal notices being issued for the 2026-27 financial year. In addition, during the amnesty period, Council will not issue any expiations, providing you with an opportunity to meet your obligations as a pet owner in South Australia. Pet owners will start seeing their registrations either via email, text or post (depending on what was opted for) at the beginning of July.

2026-27 BIN COLLECTION MAGNETS

The new 2026-27 bin collection magnets are set to be delivered to PO Boxes from Monday, 15 June, helping you stay on top of your collection days throughout the financial year.

If you haven't received your magnet by the end of June, simply pop into the Council Office or the Kimba Post Office to pick up a copy.

A handy reminder for the fridge and one less thing to remember! ♻️

WHAT'S ON IN KIMBA!

What's On In Kimba! 📺

Got something exciting happening around Kimba? Let's give it a shout on the airwaves! Did you know Council has a spot on 5CC Radio's Good Morning EP segment? Too right we do — and we'd love to use it to shine a light on all the great things happening across our community.

Whether it's an upcoming event, tryouts, an open day, or something special your club, group or business has coming up, flick it through and we'll help spread the word.

It's a great chance to get a bit of airtime and make some noise for what's happening locally.

📅 Send us the details by the first Tuesday of the month

✉️ Email: emily.maxwell@kimba.sa.gov.au

Let's get Kimba's good news out across the EP!

KIMBA MAKING INTERNATIONAL WAVES

Kimba is making waves on the international stage, with an incredible feature published by City Nation Place highlighting how the "I'm Kimba" campaign has become far more than just a logo — evolving into a powerful driver for economic development, tourism, investment attraction and community pride.

A huge shoutout goes to Mel Garibaldi for her passion, vision and hard work in helping bring this project to life. Through authentic storytelling, community collaboration and a genuine love for the community, Mel is helping put Kimba firmly on the map as a town proudly shaping its own future.

The article shares how the "I'm Kimba" brand is becoming a community-wide movement — giving locals, businesses and visitors a shared story to tell about who we are and where we're headed. From tourism and investment to community pride and strategic planning, the impact has been felt right across the district.

This is something our whole community can be proud of. You can find a copy of the article on our Facebook page or the City Nation Place.

LIBRARY PHONE UPDATE!

Please note the Library phone service is currently unavailable while maintenance works are being carried out.

We're hoping it will be back online in the coming days. In the meantime, if you need assistance, please contact the Kimba Area School directly on 08 8627 2074.

Thanks for your patience while this gets sorted!

FIRE PREVENTION

Council encourages residents to start preparing for the upcoming fire danger season. Work done early, including mowing or spraying will greatly reduce the fuel load and help keep our community safe. If you would like a quote from council to assist in these preparations, please contact the office on 8627 2026.

KIMBA RECREATION RESERVE

Back in 2018/19, our little FREE camp was just beginning to make waves... Let's take a look at just how far we've come:

Donations & Shower Takings:

From \$22,029 → Now \$54,049.55 in 2025/26 to date!

Estimated Visitor Spend in Kimba:

From \$62,284.72 → Now a HUGE \$140,229.08!

One-Night Stays:

From 330 → Now 633 campers enjoying our beautiful spot!

Following the success of the expanded free camping area, Council is now exploring opportunities to cater for future visitor demand in Kimba. Tourism continues to play an important role in supporting the local economy, attracting travellers to our township and wider region.

During peak periods, existing camping facilities can become fully occupied, prompting Council to investigate options for an additional overflow camping area. The proposed design work will focus on creating a functional overflow space that maintains a positive visitor experience while carefully managing environmental impacts.

EP LANDSCAPE BOARD UPDATE

Supplied by EP Landscape Board

African boxthorn control time and free tools

The start of winter is the optimal time for controlling African boxthorns, since the rain and moisture bring back its bright green leaves and strong thorns after generally being dormant during summer. Shrubs can grow up to 3-4m tall and invade crops and native vegetation.

If you are a landholder dealing with these noxious woody weeds in your property, you may be eligible to borrow one of our boxthorn pullers free of charge. The devices can be attached to a loader to assist in the removal of medium-large African boxthorns.

Contact your local Landscape Office for more details.

Rabbit population rise and control

Our team has received recent reports of a perceived increase of rabbit numbers in the Eastern Eyre Peninsula, being spotted on roadsides and close to townships. This is especially concerning coming to the end of the seeding season for farmers and crop producers.

If you are a landholder struggling with rabbit infestation, contact your local Landscape office to access to control options like 1080 oat bait and calicivirus (RHDV1 K5) release.

Feral Cat Biobank research

The National Feral Cat Biobank and Genomics Initiative lead by CSIRO aims to achieve better understanding and management of feral cat populations across Australia, by building national genomic data from feral cats, consisting of a tissue biobank that will allow research on feasibility of emerging genetic biocontrol approaches.

If you are dealing with feral cat issues in your property, and would like to contribute to this national research, please contact your closest Landscape office for instructions on sampling.

Expressions of Interest – feral goat aerial control

We're looking for Eyre Peninsula landholders to team up with to be part of upcoming aerial goat control programs.

Feral goats are on the rise across EP and are a major cause of land degradation through overgrazing. Even in small numbers, feral goats can expand their range and population rapidly when not controlled.

Last year, we successfully worked with landholders around the Gawler Ranges and Middleback Ranges, to remove nearly 4,000 feral goats.

If you have feral goats on or near your property, you could be part of our upcoming aerial control program in mid-August, which is free of charge.

To get involved get in touch with your nearest Landscape officer, or email us on EPLBadmin@sa.gov.au with your location and contact details.

MULTIPLE ACCOMMODATION OPTIONS IN KIMBA

Recently Kimba has had some additional, and updated accommodation options become available. And while locals don't generally stay in these, often we are seeking out places for family or friends to stay when they visit.

AirBnB; Currently there are four homes bookable through AirBnB. All are fully self-contained with living areas, BBQ, garden areas, off street parking and all the mod cons visitors expect.

- **North Terrace Townhouse** is a 4 bedroom home (1 king, 2 queen & 1 twin share), with 2 bathrooms and 2 toilets.
- **Olive House Railway Tce** has 2 bedrooms (1 queen & 1 twin share), and 1 bathroom.
- **Olive House West Tce** has 3 bedrooms (1 queen & 2 twin share), and one bathroom. Both Olive House homes can be also booked direct with Hannah, Phone: 0428274008 or Email: stay@olivehousekimba.com.au
- **Rural Comforts- Petal & Porch** on West Tce is a 3 bedroom home (2 queen and 1 double), plus an office and 1.5 bathrooms. This home can also be booked direct with Britt, website- ruralcomforts.guestybookings.com or email- brittany.ruralcomforts@gmail.com, and also through booking.com

Kimba Motel Roadhouse and Caravan Park on Eyre Highway has 14 ensuite rooms with single, double, and twin share occupancy and all with tea and coffee facilities.

Also powered and unpowered van sites with access to water, plus laundry and bbq facilities.

Bookings can be made on 8627 2222 or by email feplkimba@gmail.com

Kimba Gateway Hotel on High St has 27 rooms (23 with ensuites) across four styles from Budget to Boutique spread over four buildings. There is a range of bedding configurations to cater for singles, couples, families, and larger groups. Complimentary breakfast is offered daily for inhouse guests and is included in the rates. Off street parking is available for all vehicles including trailers.

Bookings are made direct with the Hotel on phone 8627 2888, or email hello@kimbahotel.com.au

While every effort has been made to seek out accommodation options, apologies if yours has been missed. Please let editors know and it can be included in the next newsletter.

Direct bookings only accommodation include;

Kimba Units on High Street offer 5 self-contained 1 bedroom units (queen or twin share), all with separate lounge, fully equipped kitchen, breakfast included.

Bookings on the website kimbaunits.com.au or through booking.com, or direct on 0499 261 727.

OUR TOWN KIMBA

Community Mingle Night

In honour of National Volunteer Week, we hosted a lovely evening meal to celebrate the incredible people who give their time to our community. Our delicious roast was generously donated by one of our local volunteer groups, the Lions Club.

The evening was spent showcasing our Volunteer Menu, while enjoying plenty of mingling, laughter and connection. We were so grateful for the extra helping hands behind the scenes that came together to make the night possible and help feed 24 wonderful people. A beautiful evening celebrating the spirit of volunteering and community.

Shed Update

We're absolutely loving seeing so many community groups and members making use of the shed and bringing the space to life. It's wonderful to see people connecting, gathering, and creating together.

We're also excited to share that we've been successful in receiving a Thriving Communities Infrastructure Grant through PIRSA! This funding will help improve the functionality and upkeep of the decking area, making the space even more welcoming and accessible for everyone.

Under One Roof – Kimba Pergola Project

We can't wait to see how this enhancement supports even more community connection in the years ahead.

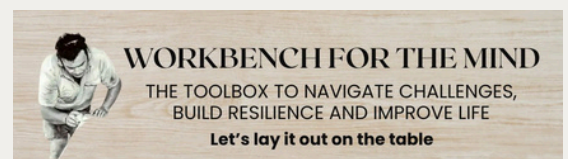

Free Mental Fitness Training

FREE Workbench for the Mind session coming to Kimba!

Join Suzi for a practical and welcoming session where you'll pick up simple tools and strategies to support your mental fitness and wellbeing.

You might recognise some local connections, with Kimba locals Nikki Atkinson and Susie Williams featured on Suzi's Suzi Says podcast. Everyone is welcome, and it's all happening in our very own Back Shed. ❤️

Check out Suzi's page to learn more and book your spot!

 COWELL	 17 June
	 4pm - 7pm

HOSTED BY:
Suzi Evans

Kimba Kindy held its annual online auction in late May and, following the impressive fundraising efforts of last year's Governing Council committee, we had big shoes to fill.

Thanks to the hard work of our Governing Council Chairperson, Krystal Dart, we received generous donations from many individuals and businesses within our community. We were truly overwhelmed by the level of support and kindness displayed.

The auction began with strong bidding making for a very exciting week. Some items were particularly popular, such as Miss Corinne's party entertainment pack and a makeup session hosted by the Harris girls.

We are pleased to share that every donation attracted successful bids, resulting in a remarkable total of \$6,587 raised.

Fundraising efforts over the years have focused on collecting money for our outdoor learning area. We are now well positioned to begin planning and making improvements. This process will take time and will involve consultation with educators, children, the wider community, and adherence to departmental and National Regulations to ensure we create a purposeful, educational, and safe environment. We look forward to keeping the community updated throughout this journey.

The support we have received, not just from this year's auction, but from all our previous fundraising initiatives, including the purchase of tea towels, mugs, and plates, has made a significant impact and will help us bring our outdoor learning area to life. Our children are truly fortunate to belong to such a caring and supportive community.

We would also like to extend our gratitude to the Kimba Gateway Hotel for hosting the Friday night meat raffle and selecting us as the recipient of a generous \$500 donation.

Additionally, we are delighted to be the chosen beneficiary of Kimba Cafe's sponsorship program for the month of June. For every coffee purchased between 6:30 am and 9:00 am, 50 cents will be donated directly to the Kindy. We encourage everyone to support us by enjoying a coffee or two at Kimba Cafe throughout June.

To acknowledge the generosity of those who donated to the auction, please keep an eye out in the coming weeks (or during the school holidays) for a special thank you poster delivered by our Kindy children, for you to display. Thank you for your ongoing support!

From the educators, Governing Council, and children at Kimba Community Kindergarten

**26TH

2026**

KIMBA AH&F SHOW

The Kimba AH&F Society is proud to announce the 2026 Kimba AH&F Show will take place on Saturday 26th of September. With a mix of energised new faces and experience the committee is hitting the ground running. We plan to celebrate the traditional heart of country shows with a focus on Pavilion Entries showcasing our local talent and embrace a fresh approach involving local groups, community initiatives and exciting activities to deliver a memorable day for the whole community. Stay tuned for the Showbook and exciting news of sites, catering and entertainment via our social media, website and promotions!

We look forward to seeing you
Kimba AH&F Society.

Passionate About Kimba?

We'd Love to Hear From You.

Eyre Hub is looking for new board members with fresh ideas, community spirit and a genuine passion for Kimba, our surrounds and the people who call it home.

As an ACNC-registered not-for-profit charity and public company limited by guarantee, Eyre Hub can partner with community groups, support local initiatives, advocate for opportunities that benefit our region, and help bring projects that strengthen our community to life.

We believe there is enormous potential to be a strong voice for Kimba — supporting community-for-good projects, encouraging collaboration, and helping champion ideas that create positive outcomes for our region. Importantly, we are keen to connect with local community groups and explore ways we can leverage Eyre Hub's governance structure and charitable status to help support projects, partnerships and funding opportunities for the benefit of our wider community.

Whether you're a long-time local or new to the district, if you care about our community and want to help make a difference, we'd love to have a conversation.

Bring your ideas, skills, enthusiasm — or simply a willingness to contribute. Interested? Reach out to learn more about joining the Eyre Hub Board. email: admin@eyrehub.com.au

Winter Garden Week at Eyre Business

Eyre Business extends an invitation to celebrate the opening of our new native and sensory garden with a week of garden events! Get inspired and learn about initiative practices around our region in both agricultural and domestic settings.

The garden and events are supported by Eyre Peninsula Landscape Board through its Grassroots Grants program, made possible by the landscape levy. We have also received support from local trades, businesses and volunteers so thank you all for helping bring this garden to life in Kimba.

Work is almost complete and we are excited to bring you guest speakers and activities from June 15 – 19; something for everyone. Further info and tickets for events are available from admin@eyrebusiness.com.au or call 0477 890 122. *Kath and Kerri*

Program

- Monday 15 June - Kimba Gardens Bus Tour (1/2 day) \$25, includes morning tea. Visiting local gardens.
- Tuesday 16 June - Ag & Ecology Bus Tour (full day) \$55, includes morning tea and lunch. Speakers Andrew Freeman, Cassinia Environmental (Hillridge) and John Read, Secret Rocks.
- Wednesday 17 June Garden Launch Party (evening) \$35, includes light refreshments. Guest speakers Glenn Christie, Succession Ecology and James Kerr, Buckleboo Station - The impact of regeneration in Agricultural settings.
- Thursday 18 June - Dana from WaterWise Native Plants & Landscape Design on-site in the back shed with EP grown tubestock and advice on design and plants.
- Friday 19 June - Pop in and explore our new native and sensory garden.
